PROMOTIONAL PATTERN

*Read through complete pattern instructions before starting.
Use a ¼" seam allowance.*

DIRECTIONS

1 Cut selvage edges off of background fabric, so that width measures 37". Trim top and bottom edges to measure 27" in length.

2 Trace 37 (4") circles, 5 bird bodies, and 5 wings on to paper side of fusible web. (Reverse 2-3 bird bodies when tracing.) Cut around shapes, leaving about ¼" surrounding each shape.

3 Place each circle on the *wrong side* of a charm square, rough side down. Place a bird body and wing on each of the 5 remaining squares. Follow manufacturer's instructions for fusing and cutting out shapes.

4 Randomly arrange birds and berries on background. Fuse to background (following manufacturer's instructions). Machine appliqué shapes.

BORDER

5 Sew 6 charm squares together. Press seams. Cut ends to fit 27" sides.

6 Cut strip in half lengthwise to create 2 (2½" × 27") border strips. Sew to quilt sides.

7 Sew 9 charm squares together. Repeat procedure to create 2 (2½" × 41") strips. Sew to quilt top and bottom.

3-D LEAVES

8 Trace and cut a 4½" circles out of each remaining 27 charm squares. (Each leaf takes 1 circle.)

9 Fold circle in half, and in half again, with right sides showing.

10 Repeat with 1-2 more circles. Then knot thread and sew a running stitch along each circle's raw edge.

11 Pull thread to gather circles. Tack last circle to first circle, keeping thread taut, and pull to close up center hole. Secure a button to hide the hole. Knot thread to finish leaf stem. Make 11 stem groups.

NOTE BEFORE QUILTING:

Cut 4 (2") strips, selvage to selvage, from backing fabric to use as binding.

12 Layer, pin, and quilt as desired. Then bind. And finally, tack leaves to quilt top.
